

Who is Vibe?

Vibe.fyi is a digital workplace communication solution that enables communication teams to share high-value messaging throughout an organisation with game-changing efficiency. We've helped hundreds of businesses breathe life into stagnant messaging to capture attention and influence behaviour.

Good communication lies at the heart of employee engagement. We partner with resellers to help businesses inspire their workforce through dynamic, engaging communications.

Unlock new opportunities with Vibe

Sell a high-value solution, not a headache

It's never been easier to breathe life into stagnant messaging with lively and dynamic animation. Vibe transforms internal communications with dynamic slides and game-changing efficiency. With our extensive template library, pre-made content, and popular app integrations, your clients can easily produce high-quality content in no time.

Grow your product offering with a revolutionary solution

Add a specialist workplace digital signage solution to your tool kit. Unlike others on the market, Vibe empowers communication teams to produce highly engaging content quickly and efficiently – without the overhead.

Your clients can produce highly engaging content 80% faster than traditional digital signage. Our Snackable Learning Framework® ensures that bite-sized visual messages have maximum impact and influence long-term change.

Why partner with Vibe?

Effortlessly build your corporate communication offering and create long-lasting relationships with your clients. Vibe enables you to save time by eliminating the need to create content for your clients, troubleshoot their issues, and reduce on-site visits to resolve hardware problems.

Nurture high-value relationships

Provide your clients with a hassle-free solution and build a long-term relationship for more opportunities to cross-sell and up-sell.

Boost your bottom line

Partnering with Vibe gives you a passive recurring revenue stream without the overhead.

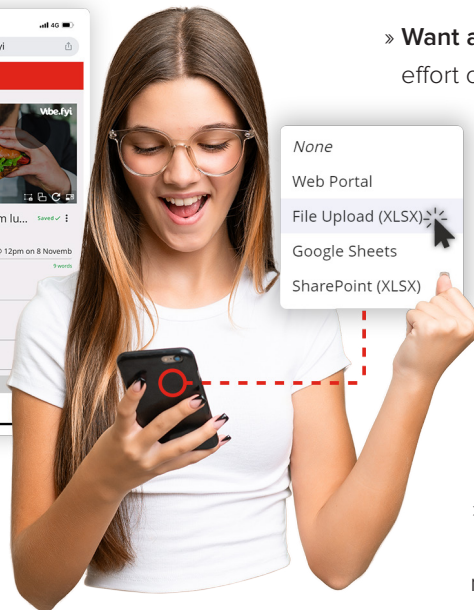

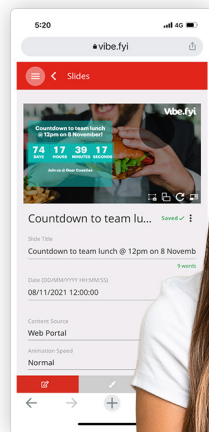

Care and support

Our local team provide the best level of care and support for you and your client.

Will Vibe work for my clients?

Vibe works for many companies across a variety of industries. We're particularly useful for businesses that:

- » **Have a dispersed workforce** across; office, home and the frontline.
- » **Lack the time and resources** to create effective internal communications.
- » **Need to leverage multiple communication channels** across digital signage screens, corporate screensavers and web browser.
- » **Don't want to spend hours duplicating internal communications messages** for different channels.

- » **Want a template library** to minimise the effort of creating content.
- » **Need a one-stop content management portal** to create, publish and manage content.
- » **Want to build a strong corporate culture** across a dispersed or complex workforce.
- » **Want to care** for their employee health and wellbeing.
- » **Want to cut through corporate information overload** and get their messages seen.
